

FOLLOWING INSTRUCTIONS

1. Read the sheet before you start working, but *work as fast as you can*.
2. Print your last name in the upper right hand corner of this sheet with today's date.
3. Draw a line through the word "CORNER" in sentence two.
4. Sign your name at the bottom of the sheet.
5. Stop for a second and take a deep breath.
6. Write the city where you were born: _____
7. Now circle the word "city" in sentence six.
8. Put an "X" in the upper left corner of this sheet.
9. Tear off the corner above the "X".
10. Circle sentence five.
11. Write down your favorite hobby: _____
12. Speak your first name out loud when you get here.
13. Close your eyes and raise your right arm and wave it.
14. If you think you've been following instructions to here, nod your head.
15. Draw a circle around your birth city.
16. Recite the alphabet from A to G
17. Circle the numbers all the way down the page.
18. Now that you've finished reading the sheet, go back and do only the second and sixth instructions. Ignore all others, pretend you're writing. Do not let on to the others that they might be doing it wrong. Watch and listen, and you'll see how many people *really* follow instructions.
